- Please choose your classes wisely. Staffing and resources are allocated based on your course selections, therefore any requests for schedule repairs will be extremely limited.
- Signatures for math, Pre AP, and world language classes must be obtained by the student's current 8th grade teacher.
- 9<sup>th</sup> grade students are required to register for 70 credits, which is a full schedule.
- FRHS cannot honor requests for specific teachers or periods.
- FRHS cannot guarantee the availability of all electives.
- FRHS must use alternate choices when scheduling conflicts cannot be resolved. If none are listed, we will choose for you.
- FRHS encourages all students to talk with their parents/guardians, current teachers, and counselors to ensure the most appropriate course selections.
